THE SIMPLE SOLUTION TO BEAUTIFY  
Walkways • Sidewalks • Pool Decks • Patios • Sun Decks • Driveways

# CREATE UNIQUE SURFACES THAT ENHANCE ANY ENVIRONMENT INEXPENSIVELY!

Sure-Foot Decorative Finish is an amazing product that can be applied over a wide variety of surfaces at residential, commercial, recreational, institutional, and industrial properties.

Sure-Foot reduces surface temperatures for more enjoyable sunbathing, yet it is tough enough to withstand heavy foot traffic, automobiles, and even forklifts.

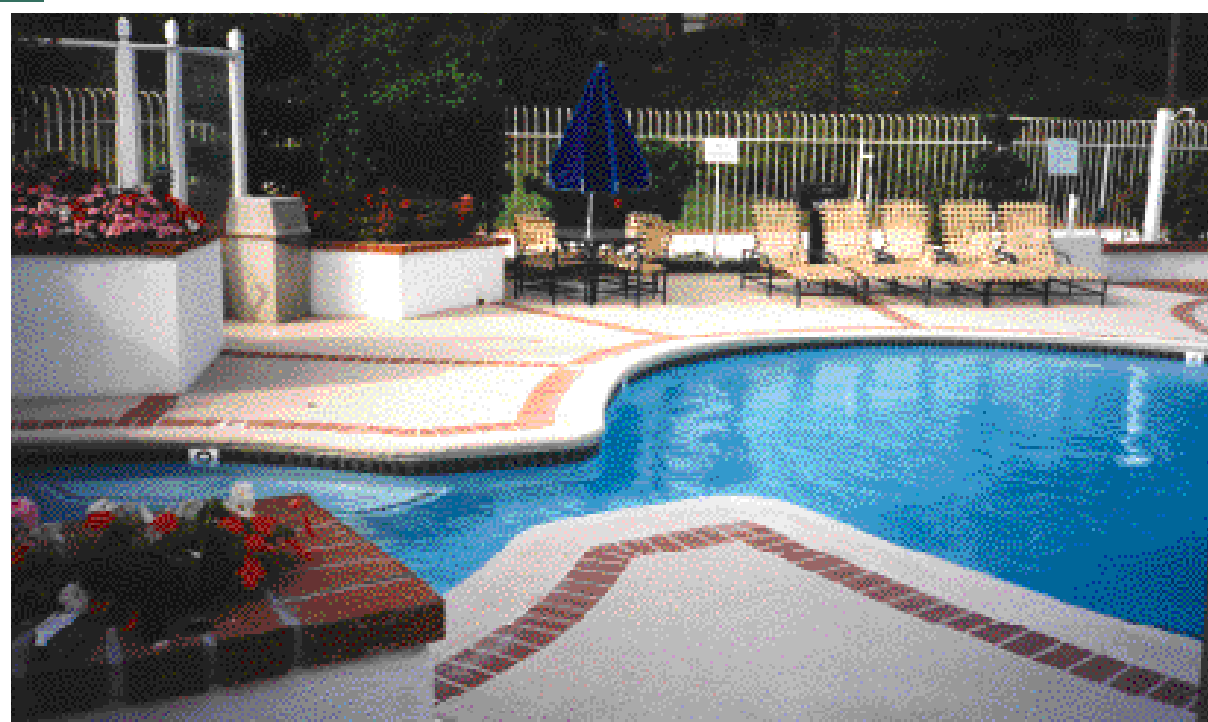

With Sure-Foot the possibilities are endless! Create custom designs, or use one of 18 stencil patterns to transform unsightly, damaged, broken, or stained surfaces into beautiful works of art. Sure-Foot is available in 26 stunning designer colors, plus custom colors.

- Tough
- Durable
- Long Lasting
- UV Resistant
- Non-Skid
- Non-Toxic
- Cooler than Concrete
- Resists Chlorine, Oil, Grease, and Transmission Fluid
- Cleans Up Easily

Use over concrete, asphalt, tile, and terrazzo to dress-up a property at very affordable prices.

- *Increases Property Value*
- *Improves Curb Appeal*
- *Conceals Dirt*
- *Camouflages Repairs*
- *Reduces Slip and Fall Accidents*

It's easy to make any surface look like granite, marble, or stone by using Sure-Foot Decorative Finish in combination with Splatter™ Finish, or Confetti™ Finish and faux finishing techniques.
